Need Money?

LET DASH'S MARKET HELP YOU REACH YOUR GOAL

Does your church, synagogue, scout troop, school, or non-profit organization need money to finance special projects or purchase much needed equipment for the school library or science lab? Does your school or organization need help funding a field trip or other adventure? If so, Dash's Market has a revenue generating program to assist you in reaching your goal. Dash's Market will help you by contributing \$2.00 for every \$100 in Dash Market's register receipts that you and group redeem at Dash's Market.

Here's how it Works...

1. Simply start collecting Dash's Market register receipts from our customers until you have a minimum of \$5,000 in register tapes.
2. Use the net amount paid to determine your total.
3. Bundle and secure your tapes in \$1000 amounts.
4. We accept the two most current calendar years tapes. Example: submit date is 3/01/25 we accept receipts dated 2024 and 2025.
5. Before handing in your initial set of tapes we need a copy of your organizations 501-C3 certification** and tapesaver application
6. Please make sure that the full name and address of your group accompanies your tapes and that the tapes are in a bag or box when you redeem them at the Guest Service Desk of Dash's Market.
7. Be sure to obtain a signed receipt upon redemption of your tapes.
8. Your tapes will be forwarded to our accounting department for verification. They will in turn send you your check in approximately four to five weeks.

Important Helpful Hints...

1. Please be consistent in the name of your group from redemption to redemption, using the same name. This will help us avoid making mistakes and will allow us to send you your check as soon as possible.
2. Please keep all important information about your group current, i.e. name, address, and the name of your group's representative.
3. Please bundle your tapes facing the same direction-unfolded, and secure bundles with staple or clip.
